

36L STORAGE BAG

REACH POLE ACCESSORY

This 36L storage bag is designed to hold all attachments and accessories for our range of rescue reach poles.

Constructed from a highly visible red nylon, branded with our Specialist Rescue Equipment logo and finished with a strong webbing handle.

The bag opens, clamshell style to give full access to the contents stored inside.

Options to brand the bag with custom logos or team crests are available.

Contact our sales team to discuss.

Dimensions

44*38*22cm (17.3*14.9*8.7")

Weight

0.2kg (0.44lbs)

Please note: accessories shown inside of the bag are not included in this item. The Throw Bag with Reflective Line show in the photos can be bought separate.
