

# 110L NDB5 HOLDALL

Our NDB5 bag range is constructed from PU top spec material and is fully washable in side and out. Renowned for their robust construction and durability making them first choice for countless divers and rescue teams all over the world. They are also supplied to the UK MoD who, of course, only use the best.

The NDB5 Short Holdalls have been modified to include changing mat attachments. The NDB5 Changing Mat is a useful feature for when you're on the go and can be bought separately. The mat rolls up with ease and can be stored on the side of the bag when not in use.

On this utilitarian holdall you'll also find three lifting handles, removable alpine-cut padded shoulder straps, adjustable chest strap and webbing attachment points running down either side of the bag.

- Spacious main compartment and a smaller end compartment
- D-zip opening with weather protective zipper flap
- Internal mesh pockets
- Additional reinforcement on the base
- Comfortable top-mounted handle
- Adjustable, removable alpine-cut shoulder straps with an ergonomic fit - now with extra padding for additional comfort and an adjustable chest strap
- Webbing loops running down both sides of the bag - can be used with carabiner or similar to attach items
- Twin haul handles on either end - now padded with neoprene covers for extra comfort
- Water-resistant, rugged design with extra bartacs and double stitching
- ID pouch on the front of the holdall
- Washable inside and out
- Inner zipped nylon dry clothes bag included
- Available in black, blue and red
- NSN - 4220-99-492-9918

Dimensions: 60cm length, 46cm width, 40cm height, weight: 2.7kg

Customer logos can be added to our bags upon request, please note an additional charge will be required. Contact us to discuss and arrange customising bags.
